To: Assistant Commissioner for Patents  
Washington, D.C. 20231

On behalf of all the attorneys of record, I hereby apply for withdrawal as attorney or agent for the above identified application. The reasons for this request are:

At the request of the Applicant or its authorized representative, The Firm, and the attorneys of record, transferred prosecution responsibility and the entire prosecution file for this application to new patent counsel, namely:

**James A. Sheridan, Reg. No. 25,435**  
**Thomason Moser & Patterson LLP**  
**4149-B El Camino Way**  
**Palo Alto, California 94306-4036**

A letter of the form attached hereto was used to transfer the files. This letter required that the Thomason Moser & Patterson LLP file a Revocation of Power of Attorney for The Firm. The undersigned counsel believes that the Thomason Moser & Patterson LLP Firm will imminently file a Revocation of Power of Attorney in this application, because the undersigned prepared and sent to client for signature such a Revocation and Substitution of Power of Attorney on this date. As the undersigned is no longer responsible for this application, the undersigned should be allowed to withdraw as counsel of record.

As we are no longer in possession of the application materials and the correspondence address has been changed, we are unable to act on applicant's behalf.

- ☐ The correspondence address is NOT affected by this withdrawal
- ☒ Change the correspondence address and direct all future correspondence to:
